IMPORTANT INFORMATION

If you are leaving from a Terminal destination, we ask that you arrive 15 minutes prior to your pick-up time. Please have your E-Ticket ready for the driver with all traveling parties and luggage.

When you arrive at an airport, to obtain our service from JFK, LGA or Newark Airports, passengers must first obtain their luggage and proceed to the Ground Transportation Counter (in the baggage claim area).

Please have your E-Ticket number ready for the Ground Transportation Representative or Connecticut Limo Dispatcher. Ground Transportation Agents can be identified by their red jackets and are normally located behind the counter.

If no one is at the counter, please use the designated courtesy phone next to the counter to check in. Please have your E-Ticket number available.

Once you are checked-in, you will then be scheduled on the next available vehicle. All trip times off the airports are based on availability. **There are no set times off of the airport and they are scheduled first come, first served.**

Every effort is made to remain on schedule. However, circumstances sometimes develop beyond Connecticut Limousine, LLC's control, such as weather and/or travel delays.

Connecticut Limousine, LLC is not responsible for late arrivals, schedule changes, inconvenience or damage from delayed service to any point or destination.

Thank you for choosing CT Limo for your travel needs. If you have a question at any time, please contact a Reservation Agent at Connecticut Limousine at 1-800-472-LIMO (5466) or go online at www.ctlimo.com.
